

Appl. No. : **09/820,207**
Filed : **March 28, 2001**

REMARKS

By this amendment, Applicants have amended independent Claim 45 as discussed during the interview conducted on June 7, 2006. The amendments include the following language, which the Examiner preliminarily indicated would overcome the cited art: "said option to view provided independently of whether the second user has selected the first product." In view of the amendments made to Claim 45, Applicants submit that Claim 45 and its dependent claims are allowable.

Applicants submit that no new matter has been added by this amendment.

If any issues remain, the Examiner is invited to call the undersigned attorney of record at his direct dial number of 949.721.2950.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
